Dear Friends and Patients,

It is with very mixed emotions that I write to you to announce that after 43 years in practice, 20 of them here in Jay, Trudy and I will be retiring. Our final day of practice will be April 2, 2020 but we will continue to see patients up until then.

We have tried unsuccessfully to find another chiropractor to take over our practice so we will have no choice but to just close the doors on the practice.

Below find the names and contact information for other chiropractors in the region who are familiar with using the techniques that I have used over the years. It is our hope that one of them will be able to provide you with the care you may need going forward.

As per NYS law your records will be kept available electronically for a period of 6 years after your last visit. In the event that those records are needed there is a form on our website for authorizing the release of your records. You can find that here: chiroinjay.com

It has been an honor to serve you as your chiropractor for the past 20 years and both Trudy and I wish you good health and happiness going forward.
